

## **TMQ MAGAZINE PRIVACY POLICY**

The names and addresses provided to this journal will be used exclusively for the services provided by this publication and will not be made available for other purposes or to third parties.

As TMQ is hosted on the RIQUAL website, its privacy policy is also indicated.

## **PRIVACY POLICY - RIQUAL WEBSITE**

This policy aims to inform users of the RIQUAL Site and members of this Network about the way we collect and use personal data, as well as to undertake not to use personal data for purposes not expressly authorized.

The collected data derives from the need to process the purchase of content, the dissemination of new content and communication with subscribers to the site and/or publications hosted there.

When the user accesses or uses the services of the Site, he acknowledges that he has read this Policy and understood its content.

If this policy undergoes significant changes, these will be published in advance on the website and, if they are likely to affect users personally, we will try to contact them directly (for example, by email, if we have one).

Some of the reasons we collect personal information include:

- to allow the user to download and/or purchase products and services;
- to respond to and manage requests or events;
- working with and responding to official services and regulatory bodies;
- to investigate issues related to our membership activity, such as security threats and vulnerabilities;
- to contact information (such as name, email address, postal address and telephone number);
- the payment information (including payment card numbers, billing address);
- the history of purchasing or using the Site's products/services;
- the account login and login credentials;
- other information may be collected about the interests of users by the contents of the site (without identifying personal data), for statistical purposes, much of which is collected automatically by computer applications.
